For Sale Wooden Solo dinghy with road trailer/launch trolley £550 ono

Professionally built (JE Stone of Salcombe) Wooden Solo dinghy for sale in good condition with combi road trailer/launch trolley. Ready to sail but could do with a re-varnish. I have owned this boat for about four years but seldom sailed it as I have another dinghy. It's been stored indoors much of its life but now lies in the club yard.

Comes with jockey wheel for trolley, practice and race sail (I've never used race sail) burgee, lower wind vane and boom-up cover. Two floor bailers (One recently replaced plus spare). Previous owner claimed it a race winner and I guess it should be with someone who wants to sail it.

Lying at the club. Contact Rob on 07836 287 104
